ABOUT

Experienced Web Designer and WordPress Developer with over 6 years of proven experience in creating high-quality, responsive, and visually engaging websites. I specialize in building premium WordPress websites and landing pages using Divi and Elementor. Delivering clean design, smooth functionality, and an exceptional user experience.

EXPERIENCE

Upwork Freelancer

2020 - PRESENT

WordPress Website Developer

As a Top Rated freelancer on Upwork since 2020, I have successfully collaborated with international agency clients, delivered high-quality website solutions, and provided ongoing maintenance that consistently exceeded client expectations.

Fiverr Freelancer

2023 - PRESENT

WordPress Website Developer

As a Level 2 Seller on Fiverr since 2022, I've worked with clients from around the world, delivering high-quality WordPress websites and long-term support that consistently exceed expectations. My focus is on creating visually appealing, fast, and user-friendly sites that help businesses stand out online.

Vision IT

FEB 2019 - NOV 2019

WordPress Website Developer

I joined here as a WordPress Developer and developed responsive, user-friendly WordPress websites and landing pages that helped clients boost engagement and conversions.
